

Functional Skills English Level 2

Module Goals

Functional Skills English Entry Level 3, Levels 1 & 2, aim to ensure that each individual is able to use language in real-life, functional contexts and develop skills in responding to different situations using English. For each level, realistic contexts have been designed so that learners develop the functional skills they need. These courses will help you to use English effectively in everyday life, learning and work. They will improve your chances of finding work, increase your career prospects and prepare you for further study. Candidates must pass the assessments at their chosen level in order to achieve the award for Functional Skills English.
